

# Cub<sup>2</sup>

## Cabinet

- › MDF structure for very low vibrations and resonances.

## New Focal logo

## Amplifier

- › High efficiency BASH™ digital amplifier for deep and dynamic bass.

## New front port

- › Aerodynamic profil.
- › Reduced distortion.

## Woofers

- › 8" (21 cm) Polyflex cone.
- › High power handling.
- › High X-max.

## Features

- *Ultimate version of Cub*
- *New amplifier, new woofer, new port*
- *Exceptional performances in ultra compact size*
- *High efficiency, high power, low thermal lost BASH™ amplifier*
- *New aerodynamic port for optimal performance*
- *New 8" high power*

## Technical data

Frequency response	40Hz to 150Hz
Woofer	8" (21cm) Polyflex cone
Amplifier	BASH™ 150W max. (100Wrms)
Active crossover	50 to 150Hz
Input	Stereo RCA Direct LFE
Phase	Switch inverter 0°/180°
Auto power	Yes
Dimensions (HxWxD)	13 <sup>1/8"</sup> x11 <sup>13/16"</sup> x11 <sup>13/16"</sup> 333x300x300mm
Weight	22.22lbs (11kg)
